### UNITED STATES DANCE TEAM NOMINATIONS

Starting this year, Headliners has the honor of sending dancers to represent the USA in World Championships in ALL dance forms!! The selection process is also now different – all dancers/ routines that receive a gold or elite gold award at a regional competition are automatically eligible to submit a DVD for consideration. Studios receive US Team information and entry forms in their teacher's packet. All DVD's received will be reviewed by a panel of IDO (International Dance Organization) judges on July 21<sup>st</sup> in New York City. Teachers and parents are welcome to attend the viewing process at no charge. Attendance is not required to be selected to the US Team. Routines selected will receive official notification from IDO.

### Hollywood Division

For the less experienced dancer/competitor. Dancers are judged on a more lenient scale. Overall vouchers are presented to the highest scoring gold or elite gold score in Child/Junior and Teen/Senior where there are 10 or more combined entries in Solo, Duo/Trio, Group, Line/Class. All routines are recognized regardless of score.
